

August Student-Parent-Teacher Conferences
Middle Years - Parent Inquiry

Please answer these questions, give specific examples whenever possible, and bring the form with you to your conference.

Name of Student

1. What do you feel are some of your child's strengths and talents? What are some of your child's weaknesses?

2. What are your academic goals for your child this year? What plans do you have to help ensure that your child will be successful this year?

3. What personal or interpersonal goals do you have for your child this year?

4. Are there any concerns that need to be stated regarding your child to ensure that he or she will be successful?
