

Kids Helping Kids

Join us this February in celebrating our love for our community and supporting those in need with Kids' Meals, an amazing organization that has been serving the Houston community since 2006 by providing meals to pre-school aged children in need.

At St. Stephen's Episcopal School, we are called, with God's help, to love our neighbor, to practice service, and to strive for justice and peace among all people. Service is one of our core values, which values we share with St. Stephen's Episcopal Church.

The PTO will be providing paper lunch bags for each family to decorate and return to school later in the month. In addition to decorating bags (ideas from Kids' Meals on the reverse of this sheet) we will be collecting applesauce pouches to help stock the Kids' Meals pantry and allow them to provide meals to more kiddos. Working with Kids' Meals Houston and taking the time to personally decorate lunch bags is a way that our kids can connect to this effort to help other kids.

Decorated bags and applesauce pouch collection dates-

Friday, February 23rd - Front Office when checking in for conferences

Tuesday March 5th- Main parking lot by Pecore Hall, PTO representatives will be there around drop off time

Thank you for sharing love with our community!

Best,

SSESH PTO

Because no child should go hungry. Ever.

EASY DIY INSTRUCTIONS

To learn more about Kids' Meals Houston and their efforts in the community please visit their website <https://kidsmealsinc.org/>

BAG DECORATING

We need over 1.7 million bags per year.
YOU can make them special!

Simply buy a pack of standard brown lunch bags and unleash your inner artist.

Decorate with markers, crayons, stamps, riddles, jokes, mazes, or encouragement.
(No glitter or staples please.)

This is a great volunteer opportunity for ALL ages and ALL skill levels! These bags will be filled with food and delivered to hungry children.
