JUNE 2-6: RADICAL REPTILES

Get ready to slither into an exciting week all about reptiles! We'll learn about their fascinating habitats, unique features, and the critical role they play in our environment. Don't miss the thrilling visit from The Reptile Guys to see some of these incredible creatures up close!

JUNE 9-13: MAGICAL SCIENCE!

Experience the wonder of science with a magical twist! This week features hands-on, safe science experiments that seem like pure magic while exploring concepts like reactions, forces, and colors. Plus, Monty the Magician will amaze us with a spectacular magic show!

JUNE 16-20: SUPER HERO WEEK

It's a bird! It's a plane! It's Super Hero Week! Develop your super skills of kindness, bravery, and helping others with fun crafts, stories, and activities. The Science Heroes will join us to show how science can make us all heroes!

JUNE 23-27: TRAVEL TO THE LAND DOWN UNDER! DISCOVERING AUSTRALIA

Pack your bags for an adventure to Australia! We'll explore the continent's unique animals, stunning landscapes, and Aboriginal culture. The Creature Teacher will bring Australia's amazing wildlife to life with an unforgettable animal visit.

JULY 7-11: ARTFUL ADVENTURES

Let your creativity soar in a week full of artistic exploration! From painting to crafting, this week is all about discovering new ways to express yourself. A special bubble show will add an extra pop of fun to this art-filled adventure!

JULY 14-18: LITTLE CHEFS

It's time to put on your aprons and explore the joys of cooking! This week, we'll mix, bake, and create delicious treats while learning kitchen basics. We'll cap it off with a delightful tea party or picnic to celebrate our culinary creations.

JULY 21-25: FAIRY TALE KINGDOM

Step into a magical world of fairy tales! Kids can dress up as their favorite characters while enjoying enchanting crafts, activities, and stories. This week will spark imaginations and bring beloved tales to life!
